

## BEQUEST OF RANDOLPH T. WARWICK TO WASHINGTON HOSPITAL FOR FOUNDLINGS

DECEMBER 18, 1924.—Referred to the House Calendar and ordered to be printed

Mr. GRAHAM, from the Committee on the Judiciary, submitted the  
following

### REPORT

[To accompany H. R. 10624]

The Committee on the Judiciary, to whom was referred the bill H. R. 10624, after consideration ordered the same favorably reported with one amendment and recommend that the bill as amended do pass.

The committee amendment is as follows:

Strike out the word "device" in the title of the bill and insert in lieu thereof the word "devise."

This is merely to correct a typographical error.

The purpose of this legislation is to enable the Washington Hospital for Foundlings, which was chartered by an act of Congress in 1870, to accept the devise and bequest contained in the will of Randolph T. Warwick. The terms of the will prescribe that the bequest shall be used for the erection and maintenance of a memorial building to be known as the Helen L. and Mary E. Warwick Memorial, the same to be used for the care and treatment of foundlings and for the care and treatment of women afflicted with cancer.

It is urgently desired that this bill be enacted into law at the present session of Congress in order that the powers of the corporation may be enlarged so as to enable it to accept the bequest when distribution of the estate is made. This, it is believed, will avoid any legal complications. The bill will occasion no expense to the Federal Government.

There is quoted herewith an extract from the will above referred to:
